

Service Descriptions & Price List

Live In-Person & Virtual Classes: Prepare for your labor, delivery, and postpartum periods with live in-person or virtual classes. Classes include various topics covering Childbirth Education and Newborn and Postpartum Care. Classes starting at \$250; Bundles starting at \$450.

Private In-Home Classes: Prepare for your labor, delivery, and postpartum periods with private in-home classes. Class selections include hands-on Childbirth Education and Newborn and Postpartum Care. Classes starting at \$350.

Birthing Guidance: Receive warmth, comfort, and physical and emotional support during your labor and birth. Doula will remain with you through labor and birth, providing appropriate comfort measures, reassurance, and doing everything reasonably possible to help achieve your birth desires.

Benefits of a birth doula include:

- drastically reduced risk of cesarean section
- reduced rates of interventions like Pitocin, vacuum, and forceps deliveries
- increased satisfaction with the entire birth experience
- better APGAR scores
- increased breastfeeding and bonding
- reduced rates of postpartum depression and other mood disorders

Birth Package (\$1,950) Includes:

- Interview
- Prenatal Visits (3)
- Birth Plan Creation or Review
- Phone, Text, and Email Support
- On-call starting at 37 weeks
- Continuous Labor and Birth Support
- Support During Immediate Postpartum Period
- Photos of Labor and Birth (upon request)
- Breastfeeding Education and Support
- Initial Feeding Support
- Postpartum Visits (3)

- Back-up Doula
- Professional Referrals (as needed)
- Discounted Childbirth Education and Newborn and Postpartum Care Classes
- Gift Certificates to Pelvic Floor Therapy (Philadelphia/Surrounding Areas), In-home Pediatrician Services (Garnet Valley, PA/Surrounding Areas), and Maternity and Newborn Photography (Delaware County/Surrounding Areas)
- Spinning Babies Daily Essentials to Prepare Your Body for Birth
- Web App Access to 100+ videos, PDFs, tools, parent polls, and web links covering birth, breastfeeding, postpartum care, and newborn care

Virtual Doula: Receive warmth, comfort, and physical and emotional support virtually during your labor and birth. Doula will provide 2 virtual prenatal and 2 postpartum visits and virtual labor support. Doula will give your family a labor support box before the onset of labor including: TENS unit, battery-operated candles, various message tools, tennis balls, fan, lip-balm, comfort measures cards, intervention cards, affirmation cards. Starting at \$1200

***Travel Fee: No travel fee for less than 1 hour from 201 Bywood Ave., Upper Darby, PA.**

Birth support for 1-1.5 hours' distance is a travel fee of \$400.

Travel fee for postpartum support/in-home classes for 45 minutes to 1.5 hours' distance varies depending on location and number of visits.

Postpartum Support: Adjust to your new life and expanding family with an extra set of hands to help, ears to listen, and a heart that cares. Benefit from emotional support, breastfeeding support, sibling care, household organization, and much more. Packages starting at \$200/4 hours
